Dear Sir/Madam:

Our firm is counsel to the plaintiff regarding the above captioned action.

This letter is to advise that defendants were served. An Answer was filed June 14, 2018. Plaintiff served its discovery demands on June 28, 2018.

Soon thereafter counsel for Defendants, Rogers, Habas & Eisen, P.C. sought to withdraw as attorneys [Dkt. #19]. This Court granted opposing counsel's application to withdraw as attorney for Defendants [Dkt#22].

To date, Defendants have failed serve their response to Plaintiff's outstanding demands as well as to retain new counsel.

In light of the foregoing, the undersigned respectfully requests that this Court schedule a conference in order to see how Defendants intend to proceed.

Very truly yours,
M.L. ZAGER, P.C.
